MEMORANDUM FOR: DIRECTOR, PSYCHOLOGICAL STRATEGY BOARD

SUBJECT : PSB Quarterly Progress Report to the President and  
the National Security Council

1. In accordance with your memorandum of 26 September 1952, requesting a CIA contribution to the PSB Quarterly Progress Report, I am enclosing a draft report which has been prepared in response to the PSB questionnaire. The enclosed draft, in itself, does not constitute the report of CIA activities which is to be submitted to the National Security Council. Rather, it is our understanding that the draft will be used in the preparation by your staff of a general substantive report which will be submitted to the NSC.

2. Because of its sensitive nature, it is requested that access to this document be restricted on a need-to-know basis to the members of your staff who are required to review it.

3. In continuance of the procedure which was established for the annual status report in July, it is requested that the attached draft be returned to this office, together with an advance copy of that section of the PSB draft which relates to CIA activities. This arrangement is suggested so that the PSB draft relating to CIA activities can be approved by the Director of Central Intelligence before it is circulated to the other members of the Psychological Strategy Board.
